Director of the Mint,

Philadelphia. Pa.

Dear Sir;-

Will you kindly inform me during what year the first U.S. \$20.00 gold piece was struck, and if not too much trouble give me a list of the years when these pieces were coined. Also kindly inform me whether such \$20.00 gold pieces, or a collection of the same, could be obtained through the mint, or if they would have to be bought in the market, and oblige

Yours respectfully

Isaac Stern.
